

MiiA Sheet Template

Aim:

You may want to make your own functions and code. This sheet will help you do that.

MiiA function: _____

Movement description:

Drawing of movements

Motor Angle Table

Steps		Motor A	Motor B	Motor C	Motor D
	Angle				
	Angle				
	Angle				
	Angle				
	Angle				
	Angle				
	Angle				
	Angle				
	Angle				
Notes					

Note: you do not need to call it **step 1,2,3** etc. you should give it more descriptive names like “stand”, “swing”, “foot down”.
